

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

## PREFACE.

---

WITH this fourth volume, which relates to the parish of St. Nicholas, the whole of the Marriage Registers of Nottingham have now been printed in abstract form down to the year 1812.

The parish of St. Nicholas, like that of St. Peter, comprises but a very small portion of the ancient town, but its position renders the parish of special interest. Although the ancient church was destroyed in the sieges of Nottingham Castle during the Civil War of Charles I., the registers were fortunately preserved. There is, however, a break of about forty years, during which time the registers were kept at St. Peter's, and, as far as regards the marriages, are now presented to the reader.

The entries in this volume, which, as in the previous ones, have been abstracted by Mr. John T. Godfrey, are 5,424 in number, and with those of St. Mary's and St. Peter's, make up a total of 57,174 persons married in the town of Nottingham, of whom we have record, before 1813.

The entries have been reduced to a common form, and the following abbreviations adopted.

w. = widower *or* widow.  
s. = spinster, single woman,  
    *or* son of.  
b. = bachelor.  
m. = minor.

d. = daughter of.  
p. = of the parish of.  
dioc. = in the diocese of.  
co. = in the county of.  
lic. = marriage licence.

It may be mentioned that these printed abstracts of marriage registers are not "evidence" in the technical sense. Certified copies must still be obtained when evidence

of a marriage is needed for legal purposes, or when proving a pedigree at Heralds' College. For such certificates application must be made to the clergy in charge of the original registers.

Ultimately, no doubt, the baptisms and burials will find their way into print, but it seems expedient to issue the weddings first, as is done in the present series.

The Editors desire to acknowledge their indebtedness to the REV. WILLIAM POPE, M.A., Rector of St. Nicholas's, for permission to abstract the following entries, and for his kindly interest in the work.

# NOTES ON THE MARRIAGE REGISTERS

## OF

### ST. NICHOLAS'S, NOTTINGHAM.

---

VOLUME I.—This register is of parchment, measuring 15 inches high and  $5\frac{1}{2}$  inches wide, in a limp cover of the like material. The book has experienced considerable rough usage, doubtless during the Caroline Civil War. The cover is loose, part of it being worn away, and many of the leaves have become unstitched, and curled up at the corners. On the fly-leaf is written "St. Nicholas's Register from 1562 to 1645 of Baptisms and Marriages and of Burials from 1562 to 1654 Inclusive." The entries down to the year 1600 have been written by the same scribe who wrote the earlier part of the register of the adjoining parish of St. Peter. At the top of the first page, which is very dirty, is written "A Perfect R..... for the parish of S..... N..... in the Towne of Nott..... All Christenynges M..... and Buryals in the saide ..... begane in the yeare of our Lord god One Thowsand Fyve hundrethe threscore & two [as] Followethe." Then follow "*Christenings*" from 7 January 1562 to 2 November 1645, the entries from 2 September 1642 to 2 November 1645 being written by Robert Troupe, Clerk of St. Peter's parish from 1623 to 1654; and "*Weddings*" from 20 January 1562 to 14 April 1642. On the next page are memoranda of four *burials* in 1684, beneath which is written "George Tatley Parrish Clarke of St Nicholas Aprill y<sup>e</sup> 25: day 1688." Then follow *Burials* from 25 January 1562 (for this year not in proper order) to 18 April 1618; from 2 July 1621 to 29 [sic] February 1641; and (in the peculiar, distinct writing of Robert Troupe) from 4 May 1645 to 24 May 1655. The bottom part (7 inches high) of one of the leaves containing burials for the year 1593, when the town was visited by the plague, has been cut out. Many of the entries are written in Latin, many are very indifferently made, and at certain periods appear to have been grossly neglected. It is, however, very fortunate that this interesting book is extant.

[There are no records of *baptisms* between 2 November 1645 and 18 February 1682, of *marriages* between 14 April 1642 and 15 April 1683, nor of *burials* between 24 May 1655 and 6 March 1682. The church was demolished during the Civil War, and for a number of years the two

parishes of St. Peter and St. Nicholas were amalgamated, worshipping at St. Peter's. This is abundantly proved by the following entries in the earliest register of the latter parish:—

“Memorandum that on the 19th day of September 1652 being the Lords Day there were chosen by the vote & consent of the people of the Parish of S<sup>t</sup> Peters and S<sup>t</sup> Nicholas in Nottingham theise following persons for church officers

James Chadwick Esq <sup>r</sup>	}	ruling elders
William Richards, Alderman		
John Hough, Gent.		
Richard Whitely, Gent.		
Robert Saxon, Sheriffe of the towne		
Daniell Sulley, Gent.	}	deacons
Mr. Robert Troupe		
John Burden		
William Derry		

Richard Whitchurch being then Pastor & Minister there.”

“Memorand that I Michaell Granger was chosen upon the eleventh day of July [1658] Clarke for the Parishes of S<sup>t</sup> Peters & S<sup>t</sup> Nicholas in Nottingham, and that I was sworne register for the two parishes aforesayd on y<sup>e</sup> twelvth day of the same Moneth.”

After the Restoration the benefice of St. Nicholas's appears to have been held *in commendam* by the Rector of St. Peter's until about the year 1682, when the rebuilding of St. Nicholas's was completed, and the Rev. John Simpson instituted Rector. There are three baptisms recorded at St. Peter's (the first of which is as follows) which throw light on this supposition:—

“John sonne unto John Scattergood, Gent, and Ruth his wife was baptized y<sup>e</sup> 27<sup>th</sup> of December [1682] being y<sup>e</sup> first Childe y<sup>t</sup> was baptized att S<sup>t</sup> Nicholas since y<sup>e</sup> Church was new rebuilt.”

VOLUME II.—This register is of parchment, 16 $\frac{1}{2}$  inches by 7 $\frac{1}{2}$  inches, in limp parchment covers. On the front cover is written “S<sup>t</sup> Nicholas's Register from 1683 to 1706 Inclusive of Baptisms, Marriages & Burials N<sup>o</sup> 2,” and on the first leaf is “S<sup>t</sup> Nicholas's parish Register of Baptisms, Marriages, and Burials from 1683 to 1706 Inclusive N<sup>o</sup> 2.” At the top of the first page is “The Register for y<sup>e</sup> Parish Church of S<sup>t</sup> Nicholas in Nottingham.” The contents of the book are:—*baptisms* from 18 February 1682 to 14 March 1706; *marriages* from 15 April 1683 to 15 February 1706; and *burials* from 6 March 1682 to 20 March 1706. The burials commence:—“Burialls An<sup>o</sup> Di. 1682. According to y<sup>e</sup> Woollen Act,” the first entry being “Katherine daught<sup>r</sup> of John Colton and Isabell his wife buried y<sup>e</sup> 6 of March. Oath made by Alice Elce & Katherine Baker both of this Parish before Ald: Gervas Wyld.” On the paper flyleaves and inside each cover are some sixty or seventy memoranda of collections on briefs between the years 1684 and 1697, and the appointments of overseers of highways in the years 1687, 1689, 1690, and 1692. The following are examples of these memoranda:—“Collected vpon

y<sup>e</sup> Breefe for A fler at Morpeth in northumberland June y<sup>e</sup> 14: 1691 the somme of seven shillin nine pence halfe peny in y<sup>e</sup> Parish Church of St<sup>t</sup> nicholas."—"Robert Manchester and John Borowes Chossen overseesers for the high wayes December 26: 1690" with the signatures of Hen: Heeley, Godfrey Elliott, John Needham, Jn<sup>o</sup> Bush, John Rayner, Robert Allicocke, Thomas Chester, John Wylde, John Derry, and John Wright. The greater part of this register, including the memoranda just referred to, is in the wretched writing of George Tatley, parish clerk from 1688 to 1721. If by any possible means this individual could spell a name or place incorrectly he seems to have seized the opportunity of doing so. Christopher is spelled in all manner of forms, the nearest approach to correctness being Chirstopher.

VOLUME III.—A parchment book, 17½ inches by 7½ inches, in stiff parchment covers. On the front cover is written "St Nicholas's Register from 1707 to 1727 Inclusive of Baptisms Marriages & Burials. No. 3." At the top of the first page is "The Register for the Parish Church of St Nicholas in Nottingham." Then follow *baptisms* from 30 March 1707 to 14 March 1727, *marriages* from 18 August 1724 to 19 March 1727, *marriages* from 8 June 1707 to 10 August 1724, and *burials* from 30 March 1707 to 23 March 1727. A footnote to the baptisms for the year 1719 states:—"Mem: in y<sup>e</sup> blotted line in y<sup>e</sup> page was register'd a name of a child (by an unknown hand) y<sup>t</sup> was never bapt<sup>d</sup> nor born y<sup>t</sup> I know of. Test: J. Abson R<sup>r</sup>." At the bottom of the last page is written:—"An end of y<sup>e</sup> Christnings Marriages & burials that were in y<sup>e</sup> parish of St Nicholas in Nottingham from March 25, 1707, to March y<sup>e</sup> 25, 1727 Inclusive, as witness our hands March 26 1728, John Abson Rector of y<sup>e</sup> said parish John Story Sam<sup>l</sup> Peake Churchwardens." With very few exceptions the entries are made by the before-named George Tatley and by the Rev. John Abson, Rector.

VOLUME IV.—A similar parchment book to the last, 17 inches by 7½ inches, in stiff parchment covers. On the front cover is written "St Nicholas's parish Register of Baptisms Marriages & Burials from 1728 to 1743 Inclusive N<sup>o</sup> 4" and at the commencement is "The Register for y<sup>e</sup> pish of St Nicholas in Nott<sup>m</sup> from y<sup>e</sup> year 1728 Inclusive." Then follow continuous entries of *baptisms* from 31 March 1728 to 16 March 1743; *marriages* from 25 March 1728 to 10 March 1743; and *burials* from 4 April 1728 to 18 March 1743. Among the burials in 1738 is that, on 3 August, of "Mary Wife of Elkanah [*crossed out and Alexander written over*] Watson" and in the margin is written "Apr: 25. 1743. M<sup>r</sup> Stockdale came with Jn<sup>o</sup> Brentnall & urgd y<sup>e</sup> lawfulness of rectifying y<sup>e</sup> Reg<sup>t</sup> of Mary Watsons burial." A loose piece of paper (7½ in. by 6 in.) certifies:—

"March y<sup>e</sup> 27th 1743. Alexander Watson of y<sup>e</sup> Town of Nottingham came before me & acknowledg'd y<sup>t</sup> he believ'd y<sup>e</sup> Mary Watson, who was Entered in y<sup>e</sup> parish Register for St Nicholas's in Nott<sup>m</sup> as ye Wife of Elkanah Watson, was his late wife, and that She was bury'd Aug<sup>t</sup> 3. 1738, And that his name was wrote Elkanah instead of

Alexander, by mistake and to the truth of this he willingly made his mark y<sup>e</sup> Day & year above written, in y<sup>e</sup> presence of us,

his  
Alexander X Watson  
mark

J. Abson R<sup>r</sup> of St Nicholas's  
Thomas Hill Sexton."

VOLUME V.—A thick book of parchment, 16½ inches by 9½ inches, bound in parchment. The front cover and the earlier leaves have become detached from the remainder of the volume. Inside the front cover is written "St Nicholas's Parish Register of Baptisms Marriages & Burials from 1744 to 1786 Inclusive of Baptisms & Burials, & of Marriages from 1744 to March 1754 Inclusive N<sup>o</sup> 5." At the top of the first page is "The Register for the parish of St Nicholas in y<sup>e</sup> Town of Nottingham, beginning at Lady-day 1744." The entries are as follow:—*Baptisms* from 1 April 1744 to 27 December 1782; *marriages* from 27 March 1744 to 24 March 1754; *burials* from 1 January 1779 to 31 December 1785; *baptisms* from 4 January 1783 to 26 December 1785; and *burials* from 26 March 1744 to 28 December 1778. Among the baptisms in the year 1774 is this entry, "Margaret Daughter of Joseph & Jane Hall was baptized March 10<sup>th</sup> 1774 by M<sup>r</sup> Williams a Dissenting Minister, & entered into this Register by the particular desire of the father Joseph Hall by me Charles Wylde Rector."

At the end of the burials is written:—

"In the year 1779 the Houses, Families & Inhabitants of Nottingham were numbered & were as follow

	Houses.	Families.	Inhabitants.
In St Mary's Parish ... ..	2314	2584	12637
In St Peter's Parish ... ..	446	497	2445
In St Nicholas's Parish ... ..	431	475	2502
In Brewhouse Yard ... ..	—	—	127
Total ... ..	3191	3556	17711

VOLUME VI.—A parchment book, 16½ inches by 9½ inches, bound in parchment, and marked "No. 7." At one end are *marriages* from 13 April 1754 to 29 October 1770, and at the other end are banns of marriage between 17 March 1754 and 23 December 1770. In this volume is recorded a marriage, on 21 December 1754, solemnized "in the House of Chiverton Hartopp Esq<sup>r</sup> by Special Licence from the Archbishop of Canterbury." This is the only instance of a marriage by Special Licence to be found in the registers of the three ancient parish churches of Nottingham. Chiverton Hartopp, Esq., resided at that time in Castle Gate, Nottingham.

VOLUME VII.—This is a parchment book, 17 inches by 9½ inches, bound in calf, the covers of which are loose. The front cover is marked "Marriages from 1770 to 1794 No. 8," and on one of the fly-leaves is written "The Register of Marriages in the parish of St Nicholas in the Town of Nottingham from the 6th day of November 1770 to 31st Day of

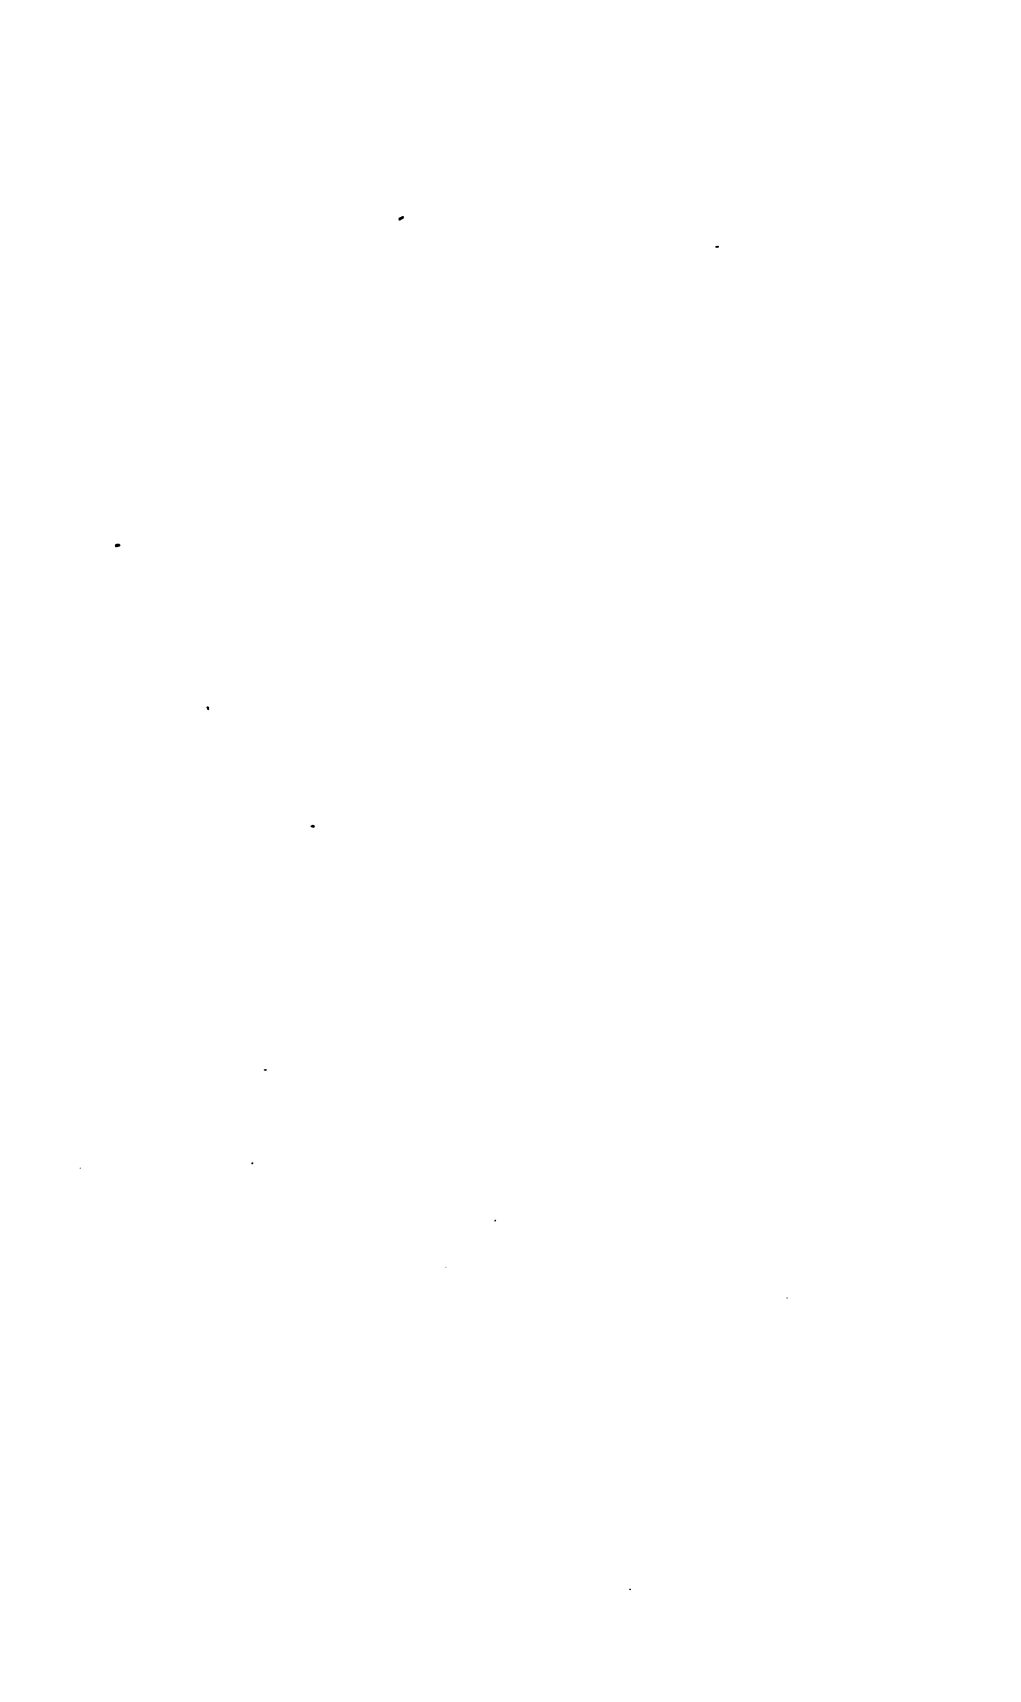

December 1794 Inclusive. Charles Wylde M.A. Official of the Arch Deaconry of Nottingham Rector." These marriage entries extend from 6 November, 1770, to 29 December, 1794.

VOLUME VIII.—A large parchment book, 16½ inches by 10½ inches, bound in calf and bearing on the front cover (which is loose) a red label inscribed in gilt letters "St Nichol's Marriage Register," and marked "No. 9 1795 to 1812." Inside the cover is written "The Register of Marriages in the parish of St Nicholas in Nottingham beginning Jan 1<sup>st</sup> 1795. & ending Dec<sup>r</sup> 31<sup>st</sup> 1812. No 9 Charles Wylde D.D. Official of the Arch Deaconry of Nottingham Rector," The book contains 956 entries, on printed forms, extending from 18 January, 1795, to 31st December 1812, the remainder of the forms being blank.
